Supporting Material

• TXI6752 Managing In-System Replication (2-day ILT)

This test is primarily designed for Hitachi Vantara customers, partners and employees data protection administrators who use the Hitachi In-system Replication software bundle. The test validates that the successful candidate can setup, configure and manage in-system replication using the Command Control Interface (CCI) software, Hitachi Ops Center Administrator and Hitachi Ops Center Protector. The test covers Hitachi ShadowImage and Hitachi Thin Image replication products.

Audience: Hitachi Vantara Customer, Partner, and Employee Data Protection Administrators

Data protection administrators should have knowledge of in-system replication products, and how to use them to manage copies and snapshots of data. They are responsible for defining data protection policies and ensuring business continuity.

Test Objectives	
Section 1	Hitachi ShadowImage
1.1	Describe Hitachi ShadowImage features and characteristics.
1.2	Describe Hitachi ShadowImage commands and functionality.
1.3	Describe Hitachi ShadowImage licensing.
Section 2	Hitachi Thin Image
2.1	Describe Hitachi Thin Image features and characteristics.
2.2	Describe Hitachi Thin Image snapshot functionality and configuration.
Section 3	Hitachi Thin Image Advanced and Data Retention Utility
3.1	Describe Hitachi Thin Image Advanced features and characteristics.
3.2	Describe Data Retention Utility features and operations.
Section 4	Hitachi ShadowImage operations using the Command Line Interface (CLI)
4.1	Describe the Command Control Interface (CCI) software components and setup.
4.2	Describe ShadowImage operations using CCI commands.
Section 5	Hitachi Thin Image operations using the Command Line Interface (CLI)
5.1	Describe Thin Image operations using CCI RAIDCOM commands.
5.2	Describe Thin Image Advanced operations using CCI RAIDCOM commands.

* Depending on the location and course delivery format, this closed-book, proctored qualification test may also be offered and administered by the instructor at the conclusion of the supporting course.

The **Hitachi Vantara Learning Center** provides easy access to our instructor-led and online courses. You can find courses by product, by delivery format, or within learning paths by domain of expertise.
